

IDOS AÑOS YA QUE NO TOSO!

Saint-Symphorien, 21 julio 1904.—Muy señor mío: Dos años hace que venía sufriendo de tos sin que remedio alguno lograra mejorarme...

MICROBIOS destruidos por el Alquitrán-Guyot.

El uso del Alquitrán-Guyot á todas las comidas, y á la dosis de una cucharada cafetera por cada vaso de agua, basta, en efecto, para hacer desaparecer en poco tiempo...

Desconfiad del consejo, realmente interesado, si en lugar del verdadero Alquitrán-Guyot, os propusiesen tal ó cual producto...

El tratamiento sólo cuesta unos 10 cts. al día, y cura.
