Del mozo de cuerda al camión

En la evolución de costumbres que han traído las necesidades de la vertiginosa vida actual, hemos asistido a la desaparición de los «métodos lentos». Se ha hecho de la rapidez una imperiosa exigencia. ¿Quién se acuerda ya de los mozos de cuerda y del transporte animal?

Póngase Ud. también, industrial, de acuerdo con el comercio moderno. Y para hacerlo piense si el mejor medio sería añadir a la larguísima serie de camiones FORD que ruedan por el mundo, uno más: **el suyo.**

NUEVOS NEUMATICOS GIGANTES de 30 por 5 en las ruedas traseras, con más capacidad para resistir grandes pesos.
